June 6, 2022

Dear Gator Families,

As we approach our 20th Anniversary, we are proud of all our accomplishments and look forward to becoming a better school. As we continue on this journey, we are excited to start a new chapter in our school's history.

Recently, we have established a partnership with designer Tommy Hilfiger. Specifically his School Uniforms Program. Starting in the 2022-2023 school year, all students in grades K-12 will have the same uniform. They are stylish and comfortable! To get this partnership started, GCCS will provide every student with two(2) shirts and two(2) pants to start with! For the new school uniform, students will be able to choose from either a polo or button up shirt and khaki or navy blue pants. Students will be required to wear the uniform starting next school year. The shirts are unique to Global Concepts and have our logo embroidered on them. You can see the attached flier to better understand the options.

The school is excited to have this partnership and we want to share that excitement with you. We will be providing families with a voucher for two (2) shirts and (2) pants, per student, to help get you started! We understand that you may wish to purchase more. We recommend you get the pants from the uniform store, but we will also allow khaki or navy blue pants from other places as well (Target, JC Penneys, etc.). However, only shirts with our logo from the uniform store will be allowed.

In order to make sure you can order the correct sizes needed, we will be holding a try-on event three days in June 9th, 13th and 14th, where you may come in and view some of the clothing sample uniforms. Ordering from the website will be available soon, we are awaiting some final details about the vouchers before we "open" our store. You may order from the store at any point throughout the school year should you need to. Items purchased from the store will be shipped directly to your address and not to the school. Just an FYI, ordering closer to the beginning of next school year may take longer than ordering closer to the end of this school year. Voucher information and link to School Uniform store on our website will be released in the coming days and a separate communication will be sent with all the details at that point.
